

**MONIER™**

Ask your builder about ...

# SARKING

... your new Monier roof

## BENEFITS

- ✓ Reflects up to 95% of radiant heat entering your roof space
- ✓ Provides added thermal insulation all year round
- ✓ Stops condensation - minimising the chance of staining and mould growth on your ceilings
- ✓ Effective dust barrier - reducing airborne dust entering your home
- ✓ Fire safety - prevents burning embers entering the roof space
- ✓ Provides additional weather protection during severe storms
